

Assessor Payment for 2006

Please note the following has been approved effective September 1, 2005

Development and Guidance Assessments (short form) should be used on most youth games, including tournaments. These assessments are approved for referees grade 8 or 7, or referees seeking upgrade to grade 7. The payment is \$40 per game. Assessors must also complete an on-line [D&G Summary](#) form in order to receive payment.

USSF 3-part Assessment Report (long form) should be used on most adult matches, not including professional games. These assessments are approved for referees grade 6 and 5, or any referees seeking upgrade to grade 6. The payment is \$75 per game.

Reports must be mailed within 7 days following game for payment.
